## Professional Summary

Highly motivated and detail-oriented individual with hands-on experience in computer literacy and web design. Skilled in diagnosing hardware and software issues, as well as creating basic 2D/3D models. Passionate about software and hardware development, with experience in building 2D/3D design, arduino projects, and website designs. Eager to apply technical knowledge, problem-solving abilities, and a strong work ethic to contribute to the success of a dynamic team and help achieve company goals.

## Personal Skills

- |                |                   |                 |
|----------------|-------------------|-----------------|
| • Fast learner | • Problem Solving | • Collaboration |
| • Adaptability | • Time Management | • Motivation    |

## Technical Skills

- |   |                               |
|---|-------------------------------|
| • Computer literacy                       | • Arduino-based projects      |
| • Basic Knowledge in Web                  | • Basic circuit design        |
| • HTML, CSS, JavaScript                   | • Basic knowledge in Hardware |
| • Basic 2D drafting and 3D modeling (CAD) |                               |
| Office Apps:                              |                               |
| • Word, Excel, Power Point & Google Docs  |                               |

## Education

Polytechnic University of the Philippines - Parañaque Tertiary	2023 - 2027
University of Perpetual Help System Delta Senior High School	2021 - 2023
Imus Institute of Science and Technology Junior High School	2017 - 2021
GOV D.M Camerino Elementary School Primary	2010 - 2017
